The Board adheres to, and conducts each meeting in accordance with Robert's Rules of Order. Transfer of time between individuals and/or groups is not permitted. Letters submitted to any Commissioner, the Executive Director, Executive Assistant, or any other District employee during a Board meeting will be placed into the record but will not additionally be read into the record at the meeting.

The Board welcomes public input but also must maintain order. Thus, community input is not a time for open dialogue between the Board and the speaker. Speakers should direct their comments to the Board and not to the District Staff or any other audience members. Speakers should not expect Commissioners or staff to answer or respond to questions during community input. If appropriate, the Board may request the issue be added as a discussion item at a future District Board Meeting.

Any person who wishes to be heard shall complete and provide the supplied community input card or inform the Clerk/Executive Assistant to the Board.

Once community input begins, there will be no further speaker cards or speakers allowed.
