Regular Meeting Agenda

Florida Keys Mosquito Control District
Marathon Office
503 107TH Street, Marathon, FL

April 21, 2026 1:00 pm

1.) Call to Order

2.) Invocation and Salute to the Flag

3.) Roll Call

4.) Community Input:

Community Input shall be heard prior to each specified agenda item.

The Board adheres to, and conducts each meeting in accordance with, Robert's Rules of Order. Presentations to the Board are limited to three (3) minutes for each individual speaker and five (5) minutes for the representative of a designated group. Transfer of time between individuals and/or groups is not permitted. Letters submitted to any Commissioner, the Executive Director, Executive/HR Assistant, or any other District employee during a Board meeting will be placed into the record but will not additionally be read into the record at the meeting.

The Board welcomes public input but also must maintain order. Thus, community input is not a time for open dialogue between the Board and the speaker. Speakers should direct their comments to the Board and not to District staff or other audience members. Speakers should not expect Commissioners or staff to answer or respond to questions during community input. If appropriate, the Board may request the issue be added as a discussion item at a future District Board meeting. Furthermore, all speakers agree to abide by FKMCD's Code of Conduct Policy and Procedures Governing Meetings, Hearings, and Community Input, as adopted through Resolution 2021-02.

Any person who wishes to make public comment during this meeting may be heard by the Board, through the Board Chair, on any proposition before the Board by either (1) complete and provide the supplied community input card or inform the Executive/HR Assistant to the Board, specifying the agenda item; or (2) when remote means for input is allowed by the Board, calling 305-292-7190 or emailing the Executive/HR Assistant (currently rlmiller@keysmosquito.org) no later than 11:00 am on April 21, 2026. If attending remotely, you must remain available by phone from the hours of 1:00pm to 4:00pm.

5.) Consent Agenda

All items listed as Consent Agenda items are considered routine and non-controversial by the FKMCD Board and will be approved by a single motion. There will be no separate discussion of these items. Prior to this meeting, Board Members have had the opportunity to review each of these items and may request that any item be moved to an Action Item for individual consideration.

a.) **Minutes** of the March 17, 2026, Regular Meeting **Pgs. 6-9**

b.) **Minutes** of the March 17, 2026, Audit Committee Meeting **Pgs. 10-11**

c.) **Minutes** of the March 17, 2026, District Overview Workshop **Pgs. 12-14**

6.) Approval of Agenda

7.) Proclamation for Florida Mosquito Control Awareness Week, Mayor Danise “Dee Dee” Henriquez, City of Key West

8.) Invited Speaker, Mayor Michelle Lincoln, Monroe County BOCC

9.) Invited Speaker, Kara Franker, President & CEO, Visit Florida Keys

10.) Treasurer’s Report

11.) Attorney’s Report Pg. 20

12.) Director’s Report Pgs. 22-33

13.) Items for Board Discussion:

a.) Church Property (O’Connor/Leal) Pg. 35

b.) Public Education and Information (Huff/Smith) Pg. 36

14.) Items for Board Review and Action:

a.) Financial Reports (Bouchard)

I. Budget Analysis Pgs. 38-42

II. District Finances Pg. 43

III. Cash Disbursements through March 2026 Pgs. 44-46

b.) Resolution 2026-08 Approving the Award of RFP 2026-02 Mosquito Control Adulticide & Larvicide (Bouchard) Pgs. 48-55

c.) Resolution 2026-09 Adopting Per Diem and Travel Expense Rates (Behrend) Pgs. 57-61

d.) Resolution 2026-10 Amending the Charter of the Florida Keys Mosquito Control District Section 115 Retiree Healthcare Trust (O’Connor) Pgs. 63-68

e.) Appointment of Career Service Council Representative (Behrend) Pg. 70

f.) Executive Director Performance Evaluation (Goodman) Pg. 71

15.) Good of the Order

16.) Meeting Adjourned

Item 5

Approval of Minutes

Regular Meeting Minutes

Florida Keys Mosquito Control District
Marathon Office
503 107th Street Marathon, FL 33050

March 17, 2026 1:00 pm

The Board of Commissioners of the Florida Keys Mosquito Control District held a Regular Meeting on March 17, 2026 at the FKMCD Marathon Office.

Present Were: Phillip Goodman, Chairman; Dr. Stanley Zuba, Vice-Chair; Bette Brown, Secretary/Treasurer; Brandon Pinder, Commissioner; Jill Cranney, Commissioner; Andrea Leal, Executive Director; Hunter O'Connor, Board Attorney.

Employees Present Were: Lauren Bouchard, Director of Finance; Mikki Coss, Director of Operations; Robert Lee, Director of Aerial Operations; Chad Huff, Public Education & Information Officer; Michael Behrend, Director of Human Resources; Dr. Larry Hribar, Director of Research; Tony Nunez, Chief Technology Officer; Rochele Miller, Executive/HR Assistant; Abigail Smith, Education Coordinator; Juliana Waldrop, Safety Coordinator.

Invited Guests Present: Brian Schmitt, President and Broker, Coldwell Banker Schmitt Real Estate Co.

Community Input: None.

Approval of Consent Agenda: *Chairman Goodman asked the Board if there were any corrections or additions to the consent agenda, having none, the consent agenda was approved.*

Approval of Agenda: *Chairman Goodman asked the Board if there were any corrections or additions to the agenda, having none, the agenda was approved.*

Invited Speaker: Brian Schmitt, President and Broker, Coldwell Banker Schmitt Real Estate Co.

Commissioner Goodman introduced Brian Schmitt. Mr. Schmitt thanked the staff for the tour and expressed his appreciation for mosquito control. He recalled a time when living here was difficult because mosquitoes could not be controlled as effectively as they are today.

Mr. Schmitt presented slides highlighting various statistics and comparisons between listings and sales to illustrate an annual cycle, effectively demonstrating that sellers create and drive the market. The development in Florida and the Keys began to increase as mosquito populations decreased. He also mentioned that outreach programs initiated by the District have significantly increased public awareness and will continue to be essential in the education process.

Mr. Schmitt thanked the commissioners for all that the District does and expressed his intention to continue educating his team so everyone gains better understanding. Commissioner Goodman asked if he thought there was an impact on sales last year due to the influx of saltmarsh mosquitoes. He was unable to say for certain, but there does seem to be a correlation between the peak of mosquito season and having fewer people in the Keys at that time.

The commissioners thanked Mr. Schmitt for organizing today's meeting and both emphasized the importance of communication and education.

Treasurer's Report: None.

Attorney's Report: Board Attorney Hunter O'Connor reported his findings regarding the Key Largo Community Church lease. The property, owned by the District, was leased in 1998 and was last extended through 2033. The buildings onsite are also District property. The church wishes to terminate the lease agreement and could do so. Executive Director Leal and Mikki Coss confirmed that the property has been maintained, and improvements have been made in accordance with the lease. Commissioner Brown mentioned a conversation she had with their attorney and son of the lessee, indicating that they no longer have use for the property. Michael Behrend, Director of Human Resources, confirmed that our current insurance policy covers the church property. Chairman Goodman suggested that staff conduct a walkthrough and collaborate with the church to clarify their plans. The Board discussed different options and expressed interest in exploring possibilities for renting the property or offering it as a community service. Prior to the next meeting, Director of Operations Mikki Coss will inspect the property, Lauren Bouchard, Director of Finance, will confirm there are no outstanding payments, and Mr. O'Connor will reach out to the church's attorney to obtain a formal letter terminating the lease.

Director's Report: Executive Director, Andrea Leal, acknowledged Patricia Sprague for her 15 years of service with the District but she was unable to attend in person due to the recent rain.

Director Leal reported that there are still only two confirmed travel-related cases of Chikungunya in Monroe County. Travel-related cases of Chikungunya and dengue fever continue to occur in South Florida, and the district will keep monitoring the situation. Operationally, salt marsh and *Aedes aegypti* numbers were lower than historical averages.

She also highlighted ongoing community outreach and education efforts, including participation in career and safety days, classroom visits and the Marathon Seafood Festival. Chairman Goodman recently spoke at the Ocean Reef Chamber meeting. The FKMCD Open House planning is on-going and will be held Saturday, April 18th from 10-2.

On the Human Resources front, we are exploring potential recruitment service possibilities for some of the hard to fill specialty positions, such as aircraft mechanics. Director Leal also noted that her annual evaluation will be on next month's agenda and encouraged the commissioners to set up meetings based on their availability.

Upcoming travel includes the AMCA Meeting in Portland Oregon, where Dr. Hribar, Heidi Murray and Dr. Pruszyński will be presenting. Rosalina Rivera will attend as an award winner for operational mosquito control. Rob Lee and Justin Knowles will be visiting the new helicopter to check the build out process. This month, the District was represented at the Water Quality Protection Program Steering Committee meeting.

Lauren Bouchard, Director of Finance, provided an investment update for the end of February 2026. She reported that most of the funds remain in FLCLASS, with an account balance of \$16,668,604.03 and an average monthly yield of 3.7498% for February. The income earned was \$47,869.55. The Centennial Bank account was opened and currently at 3.3% for 12 months. Transfers have been made to accomplish the 70/30 split the Board recommended.

Next month, the Public Information Education Workshop will be included in the regular board meeting as a discussion item. We are expecting a tour and workshop with the Tourist Development Council and County Mayor.

Items for Board Discussion:

11a.) LiDAR Update – Executive Director Andrea Leal attended the Water Quality Protection Program Steering Committee meeting and shared that the Army Corp of Engineers has flown the Florida Keys, with the data available to the public currently. Additionally, the DEP has funded LiDAR mapping that has penetrated the water up to 50 meters. This should be available to the public in the very near future, which

would save us significant money. Director Leal shared images and data that is currently available. The Board agrees it makes financial sense to use the information available to get us started.

Items for Board Review and Action:

12a.) Financial Reports – Lauren Bouchard, Director of Finance, presented the February financial reports. State fund activity included mainly Per Diem related to DODD. In the local fund, the primary large expenditures were helicopter maintenance and pilot training. She noted that the expenses are standard for February. An ad valorem deposit was also reported but Ms. Bouchard mentioned these will lessen at this time of year. District Finances and Cash Disbursements for February were shared. With no further discussion, *A motion was made by Commissioner Cranney, seconded by Commissioner Pinder, and passed unanimously* confirming the Board received the financial information from February of 2026 and the Board requests it be submitted for audit at the appropriate time.

12b.) Resolution 2026-06 Amending the District's Personnel Manual: A RESOLUTION OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT, AMENDING THE DISTRICT'S PERSONNEL MANUAL SECTION "COMPENSATORY TIME"; ADOPTING REVISIONS TO CERTAIN POLICIES; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE. *A motion was made by Commissioner Zuba, seconded by Commissioner Cranney, and passed unanimously to adopt Resolution 2026-06 as written. After a roll call vote, it was unanimously adopted.*

12c.) Resolution 2026-07 Declaring Surplus: A RESOLUTION OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT OF MONROE COUNTY, FLORIDA, DECLARING CERTAIN EQUIPMENT OWNED BY THE DISTRICT TO BE EITHER SURPLUS; AUTHORIZING SURPLUS EQUIPMENT TO BE SOLD AT A PUBLIC NOTICED SALE OR DETERMINED TO BE OBSOLETE AND DISPOSED; AND PROVIDING FOR AN EFFECTIVE DATE. *A motion was made by Commissioner Pinder, seconded by Commissioner Cranney, and passed unanimously to adopt Resolution 2026-07 as written. After a roll call vote, it was unanimously adopted.*

12d.) Initiating Litigation Regarding Personnel Reimbursement

A motion was made by Commissioner Zuba, seconded by Commissioner Pinder, and passed unanimously to not initiate litigation at this time.

Good of the Order:

- Chairman Goodman discussed the next meeting of the Board to be held on April 21st, 2026 at 1:00pm preceded by a District Overview Workshop at 10am including a tour for the Tourist Development Council and the Monroe County Mayor.

There being no further business to come before the Board the meeting was adjourned.

Respectfully submitted,

*Andrea Leal
Executive Director*

*Board of Commissioners
Florida Keys Mosquito Control District*

Phillip L. Goodman, Chairman

Bette Brown, Secretary-Treasurer

DRAFT

Audit Committee Meeting Minutes

Florida Keys Mosquito Control District

Marathon Office

503 107th Street Marathon, FL 33050

March 17, 2026 2:07 pm

The Board of Commissioners of the Florida Keys Mosquito Control District held an Audit Committee Meeting on March 17, 2026 at the FKMCD Marathon office.

Present Were: Jill Cranney, Chairman; Phillip Goodman, Commissioner; Bette Brown, Commissioner; Brandon Pinder, Commissioner; Dr. Stanley Zuba, Commissioner; Andrea Leal, Executive Director; Hunter O'Connor, Board Attorney.

Employees Present Were: Lauren Bouchard, Director of Finance; Mikki Coss, Director of Operations; Michael Behrend, Director of Human Resources; Rochele Miller, Executive/HR Assistant; Tony Nunez, Chief Technology Officer.

Invited Guests Present: Daniel Anderson, Mauldin & Jenkins was present via Zoom.

Community Input: None.

Approval of Agenda: A motion was made by Commissioner Pinder, seconded by Commissioner Brown and passed unanimously to approve the agenda.

Items for Board Discussion:

5a.) 2024-2025 Audit Planning – Chairman Cranney introduced auditor Daniel Anderson from Mauldin & Jenkins, who reported that they have received the actuary's OPEB report and are currently performing field testing on the samples provided. The only remaining item is the capital assets schedules. Ms. Bouchard had a question that Daniel will address once he returns to the office. So far, he has found no issues to report to the Board based on the testing and materials reviewed. Daniel noted that they aim to complete all work in time to present the final audit at the next meeting, although there is still a considerable amount to be done. The latest submission is expected in May. Commissioner Goodman expressed interest in discussing the actuarial study, particularly the long-term indebtedness, at the upcoming meeting.

Good of the Order: Chairman Cranney scheduled the next Audit Committee Meeting for April 21, 2026.

There being no further business to come before the Board the meeting was adjourned.

Respectfully submitted,

Andrea Leal, Executive Director

*Board of Commissioners
Florida Keys Mosquito Control District*

District Overview Workshop

Florida Keys Mosquito Control District

Marathon Office
503 107th Street
Marathon, FL 33050

March 17, 2026 10:20 am

The Board of Commissioners of the Florida Keys Mosquito Control District held a District Overview Workshop on March 17, 2026, at the FKMCD Marathon Office.

Present Were: Phillip Goodman, Chairman; Bette Brown, Secretary/Treasurer; Jill Cranney, Commissioner; Dr. Stanley Zuba, Vice-Chairman; Andrea Leal, Executive Director; Hunter O'Connor, Board Attorney. Brandon Pinder, Commissioner was absent.

Employees Present Were: Mikki Coss, Director of Operations; Robert Lee, Director of Aerial Operations; Chad Huff, Public Education & Information Officer; Tony Nunez, Chief Technology Officer; Rochele Miller, Executive/HR Assistant; Abigail Smith, Education Coordinator; Shalena Abbas, Pilot; Justin Knowles, Chief Pilot; Dr. Larry Hribar, Director of Research; Heidi Murray, Research Biologist.

Invited Guests Present: Brian Schmitt, President and Broker, Coldwell Banker Schmitt Real Estate Co.; Christina Davis, Coldwell Banker Schmitt Real Estate Co.; Lynn Goodwin, Coldwell Banker Schmitt Real Estate Co.; Pam Nada-Caley, Coldwell Banker Schmitt Real Estate Co.; Josh Mothner, Coldwell Banker Schmitt Real Estate Co.; Kristin Herold, Coldwell Banker Schmitt Real Estate Co.; Lisa Wiebe, Coldwell Banker Schmitt Real Estate Co.; Halley Haack, Coldwell Banker Schmitt Real Estate Co.

Approval of Agenda: Chairman Goodman asked the Board if there were any corrections or additions to the agenda, hearing none, the agenda was unanimously approved.

Community Input: None.

Chairman Goodman stated that the workshop aims to provide a general overview of mosquito control and its economic effects in the Florida Keys. Additionally, there will be a tour of the facility.

Discussion: Andrea Leal, the Executive Director, began by highlighting that mosquitoes are the deadliest animals on the planet and that Florida is no stranger to disease outbreaks. At FKMCD, with an operating budget of nearly \$18 million and 72 full-time employees, the focus is on proactive measures emphasizing safety and environmental responsibility. Our best practices, a three-year strategic plan, and the use of technology to increase efficiency all help reduce costs and ensure a stable, long-term budget. Control methods include home and business inspections, mosquito surveillance, and treatment by both air and ground. To communicate with the public, we utilize weekly radio spots, webinars, social media, schools, and various speaking engagements. Ms. Leal discussed several new projects currently underway, including resistance testing, the Wolbachia Male Mosquito Project, long-term product studies, BG counters, and invasive species monitoring. The District continually explores new tools and works hard to manage the large population of saltmarsh mosquitoes through earlier reconnaissance missions and regular updates to all management plans.

Chairman Goodman discussed the significant impact Mosquito Control has had on Florida's economy, particularly in the Florida Keys. The Keys' success is built on year-round tourism, high property values, and a strong economy. Reflecting on life before mosquito control, it is evident that mosquito control has been a

catalyst for tourism development and quality living in the Keys. FKMCD understands that indoor/outdoor living spaces remain a top priority. While the District faces some challenges, they are here to help. Chairman Goodman encouraged the group to include FKMCD information in their open house materials, to call for service requests, and to promote the District's services as a selling point. Following the discussion, the group toured the facility.

At the General Purpose Lab, Dr. Larry Hribar provided an overview of the research history and analysis related to resistance screening conducted over the years. He also explained how factors like temperature, tides, and rainfall influence mosquito populations, highlighting that mosquito eggs can remain dormant for several years. The research team is consistently encouraged to publish their results as often as possible so professional peers and colleagues can evaluate the methods and use the results for their own operations or derive new questions to investigate. FKMCD frequently shares ideas with other mosquito control agencies, including those in Collier and Lee Counties, as well as with organizations such as the American Mosquito Control Association and the Florida Mosquito Control Association.

Research Biologist Heidi Murray provided a brief demonstration of the different types of traps used and described the mosquito life cycle. She and Dr. Hribar also explained the process of bioassay testing and how it helps forecast resistance to certain products. The current trial involves releasing lab-bred mosquitoes infected with Wolbachia into the wild, where they mate with females, producing offspring that cannot survive.

In the hangar where helicopter fleet maintenance was underway, Robert Lee, Director of Aerial Maintenance, emphasized the importance of rotating the fleet to perform routine, scheduled maintenance during the off-season to ensure operational readiness. Pilot Shalena Abbas was present to describe the experience of flying over polygons identified by inspectors as areas requiring treatment. The flying conditions in the Keys present many unique obstacles.

Executive Director Andrea Leal also highlighted the collaborative efforts it takes between vendors and employees to develop more efficient and innovative methods for treating breeding areas. One example of FKMCD employee innovation is the granular auto-loader, which was available on site.

The Board answered questions regarding current projects and treatment plans and encouraged everyone to let them know how they could help. They also thanked Brian Schmitt, President and Broker of Coldwell Banker Schmitt Real Estate Co., and his team for their time and support of mosquito control and look forward to working together. Supporting presentations were provided.

Adjourn: There being no further business to come before the Board, the meeting was adjourned.

Respectfully submitted,

*Andrea Leal
Executive Director*

3. Miami-Dade County is currently under a mosquito-borne illness alert.

Operations Summary

1. Adult Mosquitoes
 - a. Salt Marsh mosquito numbers were lower than the historical average throughout the Keys in March.
 - b. No aerial adulticide missions were conducted in March.
 - c. No truck adulticide missions were conducted in March.
 - d. *Aedes aegypti* numbers did not exceed our adulticide action thresholds in March.
2. Larval Mosquitoes
 - a. Twelve (12) aerial granular larvicide missions were completed in March, treating approximately 5,000 acres; this is higher than the historical average for March.
 - b. No aerial liquid larvicide missions were conducted in March.
 - c. Four (4) ground liquid larvicide missions were conducted in March, treating approximately 500 acres; this is similar to the historical average for March.
3. Service Requests received (66) were lower than the historical average for March.
4. Aerial ULV Adulticide Droplet Calibrations: Completed 4/7/26

Key Largo Community Covenant

Mailing Address P.O. Box 2834 Miami, Fla. 33037

April 8, 2026

To Who It May Concern:

With a heavy heart but with deep gratitude for God's faithfulness, the Board of Director and the congregation of Key Largo Community Covenant Church have made the difficult decision to close our ministry.

This decision was not made lightly. After much prayerful deliberation, assessment of our current circumstances, and review of our stewardship, we have recognized that the decline in membership and financial sustainability, makes it impossible to continue our operations.

We celebrate the countless lives touched by this ministry. While we grieve this change, we are proud of the witness and fellowship this community has shared from this place of worship.

While the legacy of this church will live on, we pray for the members as they transition to new church homes.

With gratitude and hope,

The Board of Directors
Key Largo Community Covenant Church

Resolution 2026-08

Approving the Award of

RFP 2026-02 Mosquito

Control Adulticide &

Larvicide

**FLORIDA KEYS MOSQUITO CONTROL DISTRICT
RESOLUTION NO. 2026-08**

A RESOLUTION OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT OF MONROE COUNTY, FLORIDA, APPROVING THE AWARD OF RFP 2026-02 TO VESERIS FOR PERMETHRIN PRODUCT KONTOL 30-30, AND TO AZELIS FOR VECTOBAC GS AND VECTOBAC WDG; AUTHORIZING THE PURCHASE OF THE PRODUCTS AT THE RATES PROVIDED IN RESPONSE TO RFP 2026-02; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, Florida Keys Mosquito Control District (the "District") requires mosquito abatement materials to carry out its mosquito control activities; and

WHEREAS, on April 2, 2026, the District issued a Request for Proposals (RFP 2026-02) to solicit proposals for the provision of such mosquito abatement materials and proposals were received; and

WHEREAS, the District Bid Opening Committee (the "Committee") was established to review responsive proposals and make a recommendation to the Commission for the selection of a vendor for the mosquito abatement materials; and

WHEREAS, an evaluation by the Florida Keys Mosquito Control District Bid Opening Committee has been conducted and the bid recommendation and tabulations is attached hereto as Exhibit "A"; and

WHEREAS, the Committee deemed VESERIS to be the best provider for PERMETHRIN PRODUCT KONTROL 30-30, and AZELIS to be the best provider for VECTOBAC GS and for VECTOBAC WDG; and

WHEREAS, the Committee recommends the Commission approve the award of RFP 2026-02, and authorizes payment to be made consistent with the pricing in the bid response by Purchase Order from April 22, 2026, through April 21, 2028 and April 21, 2029; and

WHEREAS, the Commission finds that approval of the award of RFP 2026-02 to VESERIS for PERMETHRIN PRODUCT KONTROL 30-30, and to AZELIS for VECTOBAC GS and for VECTOBAC WDG, and authorization to make payments consistent with the pricing in the bid response by Purchase Order is in the best interest of the District.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT OF MONROE COUNTY, FLORIDA, AS FOLLOWS:

Section 1. Recitals. The above recitals are true and correct and incorporated into this Resolution by this Reference.

Section 2. Approval of Selection. The Commission hereby approves the award of RFP 2026-02 to VESERIS for PERMETHRIN PRODUCT KONTROL 30-30, and to ADAPCO for VECTOBAC GS and VECTOBAC WDG.

Section 3. Authorization of Fund Expenditures. The District staff is hereby authorized to expend budgeted funds for the chemical products mentioned above.

Section 4. Effective Date. This Resolution shall become effective immediately upon its adoption.

PASSED AND ADOPTED this 21st day of April, 2026.

Through: Andrea Leal, Executive Director

Subject: Bid Opening Committee Recommendations for RFP 2026-02

On April 2, 2026, the FKMCD Bid Opening Committee met to open bids for adulticide and larvicide. The committee consisted of Executive Director Andrea Leal, Director of Operations Mikki Coss, Lower Keys Supervisor Corey Brindisi, Purchasing Agent Rene Skelly and myself. Rochele Miller was present to handle the recording. No other employees or members of the public were in attendance.

RFP 2026-02 Mosquito Control Adulticide and Larvicide

The Bid Committee unanimously recommends awarding contracts to the following companies based on the pricing and delivery times that are summarized on the following pages:

- Azelis; BTI Granules** – The committee recommends accepting Azelis’s bid for three years. Pricing for Vectobac GS in the first year is \$1.65/lb in 40-pound bags, \$1.63/lb in 1,200-pound bulk bags, and \$1.61/lb for truckloads of 28,800 pounds or more. In year two and three, the pricing is \$1.68/lb in 40-pound bags, \$1.66/lb in 1,200-pound bulk bags, and \$1.64/lb for truckloads of 28,800 pounds or more. These prices represent a 1.8% price increase from year one to year two/three.
- Azelis; BTI WDG** – The committee recommends accepting Azelis’s bid for two years. Pricing for Vectobac WDG will \$37.89/lb when ordering 60+ drums. This price is 1.5% higher than our current pricing.
- Veseris; Permethrin 30%, Piperonyl-Butoxide 30%** - The committee recommends accepting Verseris’s Kontrol 30-30 bid for three years. Pricing for 55 gallon drums will be \$81.00/gal in the first year, \$83.00/gal in the second year, and \$86.00/gal in the third year. For the 275 gallon tote, the price will be \$79.50/gal in the first year, \$83.00/gal in the second year and \$85.50/gal in the third year. This pricing was the lowest over the three year timespan; and had favorable shipping timeframes. The year one price is 16% lower than the current pricing on the 55 gallon drum, and 17.6% lower for the 275 gallon tote. For the 55 gallon drum, there is a 2.5% price increase from year one to two, and a 3.6% price increase from year two to three. For the 275 gallon tote, there is a 4.4% price increase from year one to two, and a 3% increase from year two to three.

Multi-Year Pricing	Option (1)	25 lb container	\$ 30.00/lb

Approximate # of Days from Order Placement to Delivery: 2-14 Days ARO

****NO DOMESTIC HABITATS LISTED ON THE LABEL****

Committee Recommendation:

The committee unanimously recommends a 3 year contract with Vesperis for Permethrin product **Kontrol 30-30**. Delivery time after order placement is 3-5 Days. Pricing would be effective April 22, 2026 to April 21, 2029.

The committee unanimously recommends a 3 year contract with Azelis for **Vectobac GS** at **\$1.61 per lb.** for year one and **\$1.64/lb.** for year 2 and 3, when purchasing a truckload of at least 28,800 lbs. Delivery time is 3-5 days after receipt of order and a truckload of 1200 lb bulk bags is 1-3 days after receipt of order. The Azelis strain has been tested and the delivery time frame is critical to operations. Pricing would be effective April 22, 2026 to April 21, 2029.

The committee unanimously recommends a 2 year pricing contract with Azelis for **Vectobac WDG at \$37.89 per lb.** when purchasing 60+ drums. The expected delivery time is 5-7 days after receipt of order. Historic use of this product strain has proven to be effective in all areas. FKMCD is willing to work with other vendors to test their products prior to the next bid process. The committee also pointed out that the labels for the products offered by Clarke Mosquito Control Products and Target Specialty Products do not currently specify use in domestic habitats. Pricing would be effective April 22, 2026 to April 21, 2028.

Resolution 2026-09
Adopting Per
Diem and Travel
Expense Rates

**FLORIDA KEYS MOSQUITO CONTROL DISTRICT
RESOLUTION 2026-09**

A RESOLUTION OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT OF MONROE COUNTY, FLORIDA, RESCINDING AND REPLACING RESOLUTION 2003-06 TO ADOPT PER DIEM AND TRAVEL EXPENSE RATES; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, on October 20, 2003, the Board of Commissioners of the Florida Keys Mosquito Control District, Monroe County, Florida (“District”) adopted Resolution 2003-06, establishing per diem and travel expense rates pursuant to Section 112.061(14), Florida Statutes; and

WHEREAS, the District has determined that the subsistence rates established in Resolution 2003-06 are outdated and should be revised to reflect current needs and practices; and

WHEREAS, the Board of Commissioners finds it in the best interest of the District to rescind and replace the subsistence rates set forth in Resolution 2003-06 with current rates set forth in Resolution 2026-09;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT THAT:

1. Resolution 2003-06 is hereby rescinded; replaced with Resolution 2026-09.
2. The Board hereby approves and adopts Resolution 2026-09 to read as follows:
 - a. Any traveler employed by the District shall be entitled to a mileage allowance at the fixed rate established by the U.S. Internal Revenue Service at the time of travel or the common carrier fare for such travel as determined by the Director of the District or her designee.
 - b. All travelers shall be allowed the following amounts for subsistence:
 1. Breakfast \$15.00
 2. Lunch \$20.00
 3. Dinner \$40.00
 - c. Notwithstanding the provisions of Section a. and b. above, at such time as the U.S. Internal Revenue Service modifies such rates, the rates in section a. shall automatically increase or decrease in accordance with the percentage change in the total daily subsistence amount promulgated by the Internal Revenue Service.
3. Except as modified hereby, the District approves of and adopts the remaining provisions of Section 112.061(14), Florida Statutes.
4. This Resolution shall take effect immediately upon adoption.

PASSED AND ADOPTED this 21st day of April 2026.

RESOLUTION 2003-06

**A RESOLUTION OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT
ADOPTING A PER DIEM AND TRAVEL EXPENSE RATES PURSUANT TO
SECTION 112.061(14), FLORIDA STATUTES**

WHEREAS, the Board of Commissioners of the Florida Keys Mosquito Control District, Monroe County, Florida ("District") is aware that Chapter 2003-125, Laws of Florida, allows special districts to modify per diem rates pursuant to the new Section 112.061(14), Florida Statutes; and

WHEREAS, per diem and travel expense rates as provided in Chapter 112, Florida Statutes, had not been amended recently; and

WHEREAS, the District may do so pursuant to Chapter 166.021(10)(b) Florida Statutes, and

WHEREAS, per diem and travel expense rates have increased substantially in recent years;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT THAT:

1. The above declarations are true and correct.
2. The District hereby adopts the per diem rates for mileage allowance and subsistence while on Class C travel as promulgated by the Internal Revenue Service standard rates.
3. Any traveler employed by the District shall be entitled to a mileage allowance at a fixed rate of \$.365 per mile or the common carrier fare for such travel as determined by the Director of the District or their designee.
4. All travelers shall be allowed the following amounts for subsistence while on Class C travel on official business as provided in Paragraph (5)(b):

(a) Breakfast	\$8.00
(b) Lunch	12.00
(c) Dinner	20.00
5. Notwithstanding the provisions of sections 3 and 4 above, at such time as the Internal Revenue Service modifies such rates, the rates in sections 3 and 4 shall automatically be modified to be consistent with the Internal Revenue Service modifications. In the case of subparagraphs 4(a), (b) and (c) above, such amounts shall increase or decrease in accordance with the percentage change in the total daily subsistence amount promulgated by the Internal Revenue Service.
6. Except as modified hereby, the District approves of and adopts the remaining provisions of Chapter 112.061 Florida Statutes.

PASSED AND ADOPTED this 20th day of October, 2003.

BOARD OF COMMISSIONERS OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT

Chair

Secretary/Treasurer

Travel Time

Employees traveling for conferences, workshops, trainings, lectures, or meetings during regular scheduled work hours will be paid for such travel time and such travel time will be considered hours worked.

Per Diem

All travelers employed by FKMCD shall be allowed the following amounts for subsistence while on official District business:

Breakfast <i>When travel begins before 6 am and extends beyond 8 am</i>	\$10.00
Lunch <i>When travel begins before 12 noon and extends beyond 2 pm</i>	\$15.00
Dinner <i>When travel begins before 6 pm and extends beyond 8pm, or when travel occurs during night-time hours due to special assignment approved by the Executive Director.</i>	\$30.00

Employees who manipulate their schedules to qualify for subsistence payments un-necessarily, will be subject to disciplinary action, up to and including termination.

*At such time the IRS modifies these rates, the rates in this section shall automatically be modified to be consistent with the Internal Revenue Service modifications.

For additional information see Resolution 2003-06 of the Florida Keys Mosquito Control District, Adopting the Per Diem and Travel Expense Rates Pursuant to Section 112.061(14), Florida Statutes.

Service Milestone Program

Purpose

In an effort to retain and recognize valuable employees, Florida Keys Mosquito Control District has implemented a milestone program to incentivize employees to remain employed with the District. This program has a monetary and time off component.

Milestone Year is December 1 – November 30.

Overview

The FKMCD milestone policy operates on an annual basis. Both monetary and time-off components are awarded annually based on budget availability.

Eligibility

All Employees with five or more years with the District will be eligible for a milestone awards.

On-call employees or Part-time employees, regardless of the number of years with the District, are not eligible for the milestone award program. Only Full-time years of service will be counted toward the Milestone award.

CHARTER OF THE FLORIDA KEYS MOSQUITO CONTROL DISTRICT SECTION 115
RETIREE HEALTHCARE TRUST COMMITTEE

Purpose and Scope

The general purpose of the Other Post Employment Committee (hereinafter referred to as the Committee or Subcommittee) is to provide the Florida Keys Mosquito Control Board (hereinafter Board,) with financial expertise for the Florida Keys Mosquito Control District Section 115 Retiree Healthcare Trust (hereinafter the Trust.) The Committee's purposes, among others further elaborated below, are to secure and review financial and other information about the Trust, to assist the District and Board in determining the overall needs and investments of the Trust. The Committee acts and serves as the Trustee and shall make all decisions for the Trust other than employee premiums, which is the responsibility of the Board.

Specific Purposes of the Committee are as follows:

Review, monitor, and make recommendations regarding the Trust. Review and provide feedback and comments to the District and Board on the performance and needs of the Trust established to ensure adequate financing for retirees vested with post-employment benefits. The Trust is attached hereto as Exhibit "A," and incorporated herein.

The Members of the Committee are as follows:

Five (5) voting members from the sitting Board and two Board appointed members. The appointed members shall be comprised of one retired employee and one current OPEB eligible employee. In making appointments to the Committee, the Board members are encouraged to take into consideration representation that reflects the Board's commitment to responsibly manage the Trust funds in accordance with the District's Investment Policy (Exhibit "B." to the Trust.) The "Agent," of the Committee as defined in the Trust shall be the chairman of the Board.

Vacancies

Should a seat become vacant by an elected official the replacing elected official on the Board shall take his or her place. Should a vacancy occur with a non-elected member, the majority of the Board will replace the member(s) at the next regular Board meeting. Should no OPEB eligible or Retired OPEB beneficiary agree to serve, the trust will consist of the five (5) elected board members until, if at all, an eligible replacement(s) become available.

Communications

Committee members must conduct themselves at all times as professional, independent, and objective advocates for the accomplishment of District goals. Communication of information whether oral, written, or electronic between members, with the District, and with the public must be in accordance with Board policy, Florida statute, and the best interests of the District. Violations of this communication policy will be addressed by the Committee in an open meeting with recommendations made to the Board as appropriate. The Board recognizes the need of the Committee to have full and timely access to all District information necessary for the effective performance of their duties and responsibilities. It shall be Board policy that all of its employees shall provide full cooperation and relevant assistance to the Committee members in their requests for information.

Officers and Powers

The Committee shall elect a chairman from the voting members at its January meeting or at a meeting following any changes in the composition of the Committee which leaves a vacancy. ~~A Committee member may not serve more than two (2) consecutive years as chair.~~

All votes taken by the Committee must be approved by a 2/3rds majority of the members. Further, any required signatures, pursuant to a vote of the Committee, must be made by the Chairman and Treasurer of the Board.

Term of Service

The term of service of an appointed member shall be annual. Vacancies in the non-elected membership of the Committee shall be filled promptly through appointment of an individual with requisite skills by the Board members. No non-elected member shall serve more than six (6) years without a minimum one (1) year break in service unless such exception is approved by the Committee and Board. A non-elected member may be removed by a majority vote of the Board or a super majority vote of the Committee for good cause such as absenteeism or other reason.

The Committee shall continue until such time as adequate funding has been established and managed to meet the needs of the retirees vested with post-employment benefits. Actuarial assessments may be used to determine when the Trust obligations have been met. This section serves to augment Section IV of the Trust. The Committee is exclusively responsible for the expenditure of funds.

Meetings

The Committee will meet on a regular basis throughout the fiscal year as frequently as deemed necessary to complete its business, however no less than quarterly. The meetings shall be publicly announced in accordance with Florida statute and in a similar manner to the Board meetings.

When deemed necessary and appropriate, special meetings may be called by the chairman or any five (5) members of the Committee. Such special meetings shall require at least

seven (7) days of prior public notice, unless emergent as determined by the chairman of the Board. The Committee shall operate under Robert's Rules of Order, currently in effect. Five (5) voting members shall constitute a quorum for the Committee to meet and make recommendations and take action.

All committee meetings, are governed by the requirements of Florida's Government in the Sunshine and Public Records Laws, F.S. Chapter 119 and 286. Therefore, meetings of the Committee will be held in open public sessions and all materials received by the Committee are open for public inspection, unless exempt by law.

Conflicting Language

Any conflicts between the language of this Charter and the Trust, will be resolved in favor of the Trust language.

Phil Goodman, Board Chair
Florida Keys Mosquito Control District

Item 14e

Appointment of
Career Service
Council
Representative

April 9, 2026

Phil Goodman, Chairman
Mosquito Control Board

Dear Chairman Goodman,

It is with sincere gratitude to the Mosquito Control Board for your continued trust in me as your representative on the Career Service Council. It has been a privilege to serve in this capacity. I have had numerous opportunities to represent the Board, always striving to uphold the interests and standards you expect.

I would like to inform you that my current term as your representative will expire on May 19, 2026. If the Board wishes, I would be honored to continue this representation for another four-year term and continue serving in this important role.

Thank you again for your ongoing confidence and support. Please let me know if you have any questions or if there are additional ways I can be of service.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stephen Hammond", with a long horizontal flourish extending to the right.

Stephen Hammond
